

Press Release:

Magellan Complete Care of Virginia Announced as Presenting Sponsor of Hampton Roads Rubber Duck Race

(Chesapeake, VA) – February 10, 2020 - Children’s Health Investment Program (CHIP) of South Hampton Roads is pleased to announce Magellan Complete Care of Virginia a subsidiary of Magellan Health, Inc. as the presenting sponsor of the Hampton Roads Rubber Duck Race, to be held on Saturday, April 25, 2020 in the Intracoastal Waterway at Great Bridge in Chesapeake.

Angela Taylor, Director of Health Plan Marketing and Community Engagement with Magellan shared, “Magellan Complete Care of Virginia is proud to support CHIP of South Hampton Roads by being the presenting sponsor of their annual duck race. The work that CHIP does for the families in Hampton Roads is very important and gives children and families a great start to building healthy lives and bright futures!

For 14 years, CHIP has raised funds to support their mission through their signature event, The Hampton Roads Duck Race. Thousands of duck fans participate by purchasing a numbered duck ticket to enter the race. At the appointed time, thousands of numbered rubber ducks are dropped from a crane into the intracoastal waterway. They race to the finish line while being cheered on by the crowds of supporters. First duck to cross the finish line wins \$10,000 for the lucky ticket holder. Now seen as the Hampton Roads “Rite of Spring”, young and old flock to the race to enjoy family, friendly activities, food and music. This fun filled event will take place from 11:00 a.m. to 3:00pm with the “duck drop” at approximately 2:15pm. For more information and fantastic pictures of past Rubber Duck Races visit: www.hamptonroadsduckrace.org

About Magellan Health, Inc. a Fortune 500 company, is a leader in managing the fastest growing, most complex areas of health, including special populations, complete pharmacy benefits and other specialty areas of healthcare.
